Characteristics

Thank you for using our company LCD/LED TV remote control product, RM-L1552 Plus is a newly developed universal remote control product for JVC brand LCD/LED TV. Please try it after installing batteries at first time. If all functions are normally, you can use directly without setting. If it can't work normally, you need to make the following setting, then you can use for your TV. This remote control has a permanent memory function, no need to be reset when you change batteries.

Automatically searching code:

- 1, Turn on your TV set, let your TV set be in the normal state play, and aim the remote controller in the front of the TV.
- 2, Press and hold the "MUTE" button for about 6 seconds, the remote controller will enter automatic search state, please pay attention to your TV, see the volume symbol appears on your TV or not, if yes, please release "MUTE" button at once, set finished.
- 3, Test other function buttons can work well or not, such as "MUTE". If not, repeat steps 2 to 3, until you find the suitable code.
